

The Fin.Tech Marketing Community Platform

The whole community, in one place.

An **all-in-one**, AI-optimised SaaS based membership platform for senior marketing and business leaders across fintech, financial services, and tech. Connect with peers in over 100 countries, trade real insights, find partners and mentors, and move your work forward together.

**A senior peer network**

Meet marketing and business leaders across every corner. Everyone here is senior and verified, so the conversation stays useful.

**Visibility and growth**

Share your expertise, publish your thinking, and step forward as a leader. Reach training, coaching, and research that helps you hit your numbers.

**Trusted introductions**

Find vendors partners, mentors, talent, and clients through a searchable directory and curated matchmaking. Start with context, and skip the cold pitch.

**Real peer exchange**

Ask the community your hardest question and hear from people who have solved it. Trade playbooks, pressure-test decisions, and swap what is working right now.

What is inside the platform?

Multiple Spaces, one login. Here is what each Space is for and what you can do there:

Start Here

Get oriented and make your first connections.

Complete your profile and set your notifications. Introduce yourself and meet peers in your sector. Review the community guidelines and member benefits.

Community & Networking

Turn connections into opportunities.

Search the member directory by region, sector, or role. Post in Ask the Community and join peer discussions. Find a mentor, hire through the Talent Board, or book a fractional CMO.

Insights & Content

The community's knowledge centre.

Read industry trends, benchmarking reports, and playbooks. Learn from member case studies and thought leadership. Open anonymised roundtable notes under Chatham House rules.

Submit your RFPs

Pre-Vetted Network:

Skip cold outreach to find trusted vendors.

Effortless Review:

Compare proposals easily by budget and timeline.

One Dashboard:

Manage your entire procurement in one place.

Training & Coaching

Sharpen your skills and your team's.

Register for masterclasses and workshops at member rates. Book executive, growth, or career coaching. Watch short explainer videos on demand.

Networking Events

Where online turns into real outcomes.

Join in person/virtual masterclasses, Demo Days, and Connect Clinics. Apply for senior roundtables held under Chatham House rules. Save your seat at the flagship conference and awards.

Build Your Brand

Step forward as a leader.

Book a 90-second spotlight interview. Submit a blog, case study, or thought leadership piece. Get featured across the platform, socials, and newsletters.

Awards & Recognition

Get recognised on a global stage.

Explore award categories across sectors and disciplines. Enter your best campaigns and results at member rates. Join the finalists showcased at events and across channels.

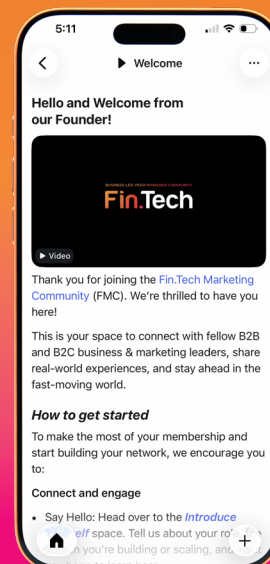

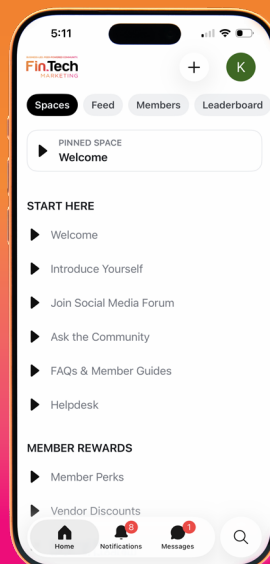

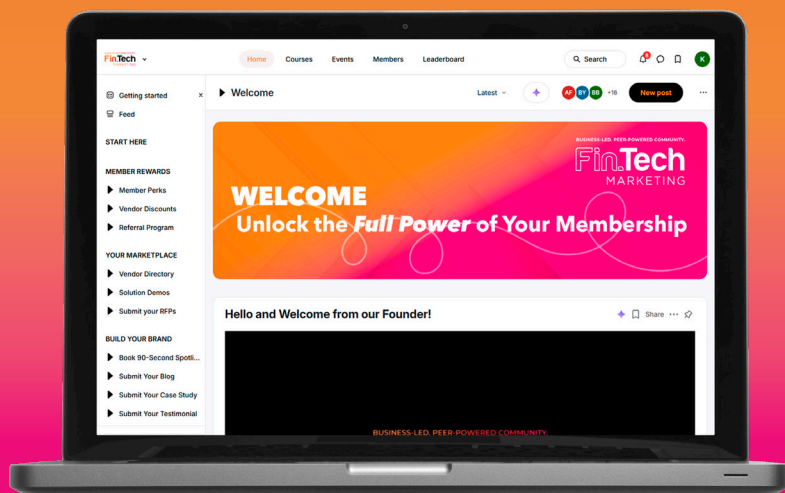

Member Rewards

Member-only pricing and partner access.

Get preferential rates on events, awards, and training. Check current member discounts before you register. Partners: view sponsorship pricing and early access.

See it in action!

A quick look at the platform on desktop and mobile.

Set up your profile and say hello.

It takes two minutes. Your next partnership, hire, or idea could start with your first post. Members log in to pick up where they left off. New leaders can request to join.

Get started in four steps:

A few minutes now sets up everything that follows.

- 1. Set up your profile**
Add your role, company, region, and what you are working on.
- 2. Introduce yourself**
Post a hello in **Start Here** and meet peers in your sector.
- 3. Turn on notifications**
Follow the Spaces and topics that matter most to you.
- 4. Get the app**
Take the community with you on iOS or Android.

Connect with your AI Concierge to sharpen your competitive edge.

BUSINESS-LED. PEER-POWERED COMMUNITY.
